

How to get to El Sabanero

Costa Rica has two International Airports which are San Jose (SJO) and Liberia (LIR)

While Liberia International Airport is closer to us (1 hour driving time) it is most likely also more expensive to fly to Liberia than it would be to San Jose (3 1/2 hour driving time).

We will be happy to make arrangements for you if you would like to be picked up at either of these Airports by a private pickup or if you would prefer to take a Bus.
